GRADE 11 CAMP 11-15 May 2020

Dear Parents,

As you are no doubt aware, at Christ Church we hold that leadership is not merely a position, it is the practice of a set of skills. For this reason, leadership training must be a process during which certain paradigms and key skills are cultivated. It is not simply handing over a badge.

Part of this training involves compulsory school camps. The camp setting allows for the development of certain skills, which are not as effectively refined in the classroom context. In addition to being fun, these camps always allow learners to grow tremendously in confidence and self-awareness.

The Grade 11 camp will be run by *Spirit of Adventure*, based in Broederstroom. We will depart from the school at about 8:00 on Monday 11 May, and return to the school at approximately 14:30 on Friday 15 May. As this camp is an integral part of our leadership training programme, we expect everyone to attend. A kit list will be issued at a later date.

The cost of this Camp is R2535 per pupil, if paid upfront (terms shown below).

To this end, please would you sign and complete the attached form, indicating your preferred choice. **Kindly return the signed form by Friday 14 June 2019.**

Should we not have a form back by this date; your account will be automatically billed with option 2.
